

## REMARKS

The claim amendments indicated above are relative to the claims as amended during the international phase of the parent PCT application.

The claims have been amended so that they will better agree with accepted U.S. practice and form, to ensure proper, consistent antecedent basis for all terms, to eliminate multiple dependencies and alternative claim formulations through use of additional dependent claims 12-16, and to make the independent claim easier to read and parse.

Date: 30 March 2005

Respectfully submitted,

A handwritten signature in black ink that reads "Jeffrey Pearce". The signature is written in a cursive, flowing style.
